# WELCOME TO THE 2019/20 SUMMER OF CRICKET

As we ramp up our preparations for an unprecedented summer in the UK, which includes the Cricket World Cup and the Ashes, I want to thank you for your continued support of Australian cricket.

Our vision is to develop great cricketers and great people. This won't happen over the course of one summer but we are making progress. We want to make Australian's proud of their cricket team again, and through their actions on and off the cricket field, we certainly feel the nation is starting to get behind us.

We're really pleased with how the group is preparing for two of the biggest challenges in international cricket, the World Cup and Ashes. While this is our immediate focus, we're also looking forward to returning home for another huge summer against New Zealand and Pakistan. We love playing in front of big home crowds at some of the best venues in the world.

Meeting and listening to the players in Cricket Australia's Official Hospitality must be a fantastic experience and I'm sure you get some nice insights into the team and the individuals. Talking to friends and fans who attend the events, they often tell me two things. First it's always about how good it is to hear their thoughts and understandings on the match, followed by how amazing it was to speak to a Pat Cummins or Nathan Lyon and find out how down to earth and accessible these players are.

It's also important for us to thank you for the impact you are having on helping the next generation of cricket players achieve their dreams of becoming the next Tim Paine or Meg Lanning. Kevin Roberts speaks about uniting and inspiring communities through cricket, and through your attendance at CA Official Hospitality events you are making a significant contribution to Australian cricket and inevitably our investment back into grassroots cricket.

From the grassroots through to the Australian men's team, we understand the importance of strong partnerships. The partnership between our players and our supporters is what makes cricket in Australia so special and so strong, and I know the boys are genuine in their vision to make Australian's proud of their cricket team.

Thank you again for your continued support, and we look forward to seeing you again this summer.

Justin Langer  
Australian Men's Head Coach

# PERTH STADIUM

## PERTH STADIUM

Perth Stadium, owned by the Western Australian State Government, was officially opened on 21 January 2018, after a construction period of just over four years.

The Stadium and the surrounding Park is located east of the Perth Central Business District, on the Burswood Peninsula. With views of the picturesque Swan River and Perth city in the west and the foothills in the east, this 60,000 seat, world-class, multi-purpose Stadium hosts a variety of sports and entertainment events, including Australian Football League, International and Big Bash League cricket, soccer, rugby league and union, plus concerts.

The surrounding Stadium Park precinct provides year-round access for visitors of all ages to enjoy the nature playgrounds, the Boardwalk and Amphitheatre, picnic and barbeque areas, public art as well as a myriad of recreational facilities.
